

## Program Admission Checklist/Application

Application should be completed and all items brought to first meeting with advisor. Participant must meet at least once per year with advisor to remain in the program. Make sure to include all required information. Thank you.

The Business Management/Entrepreneurship program (BM&E) is a technical program resulting in an Associate of Applied Science degree. This degree program is not designed to transfer to a four-year institution, although some courses are transferable. The program, designed for students wishing to directly enter the workforce, provides students with the skills necessary to own and operate their own business or to assume entry level retail managerial positions.
