CSI Business Management & Entrepreneurship

BME Program Admission Checklist/Application

Application should be completed and all items brought to first meeting with advisor, or submitted via email. Participant must meet at least once per term with advisor to remain in the program. Meetings can take place via telephone, online via Web conferencing, or in person. Make sure to include all required information in your application. Thank you.

The Business Management & Entrepreneurship program (BME) is a technical program resulting in an Associate of Applied Science degree. This experiential program is designed for students wishing to directly enter the workforce and provides students with the skills necessary to own and operate their own business or to assume entry level retail managerial positions. This degree program transfers to the Bachelor of Applied Science program at various universities throughout Idaho.
