

Program Admission Checklist/Application

Application should be completed and all items brought to the first meeting with your advisor. Students must meet once per semester with the advisor. Please make sure to include all required information. Thank you.

College of Southern Idaho's Culinary Arts goal is to offer a program that prepares students for a successful career in the rapidly expanding field of Food Service. The program introduces students to the basic philosophies of the food industry and gives a general understanding of Culinary Arts and Food Service. Upon completion of the program, graduates receive an Associate of Applied Science Degree.
