

Program Admission Checklist/Application

Application should be completed and all items brought to the first meeting with your advisor. Students must meet once per semester with the advisor. Please make sure to include all required information. Thank you.

The Hospitality Management Program is a technical program featuring a Technical Certificate and an Associate of Applied Science degree. An Associate's degree in Hospitality Management is designed for students wishing to directly enter the workforce and/or transfer to a four-year institution offering Hospitality Management degrees and others, depending upon the institution. CSI's Hospitality Management Program works with students to develop an educational path that's right for them.
