

## Program Admission Checklist/Application

Application should be completed and all items brought to first meeting with advisor. Make sure to include all required information. Thank you.

The Baking & Pastry Arts program is a technical program resulting in an Associate of Applied Science degree. This degree program is not designed to transfer to a four-year institution, although some courses are transferable. The program, designed for students wishing to directly enter the workforce, provides students with the skills necessary to enter the baking & pastry field in an entry-level position.
